....

# Focus on STRATEGY...

# Shall we continue “as cleared”?

... and let THEM  
propose and decide  
for us ?

Isn't  
**TIME TO WAKE UP !**

**A unique HISTORICAL  
opportunity to “score” ...**

# RAISING !

Why?

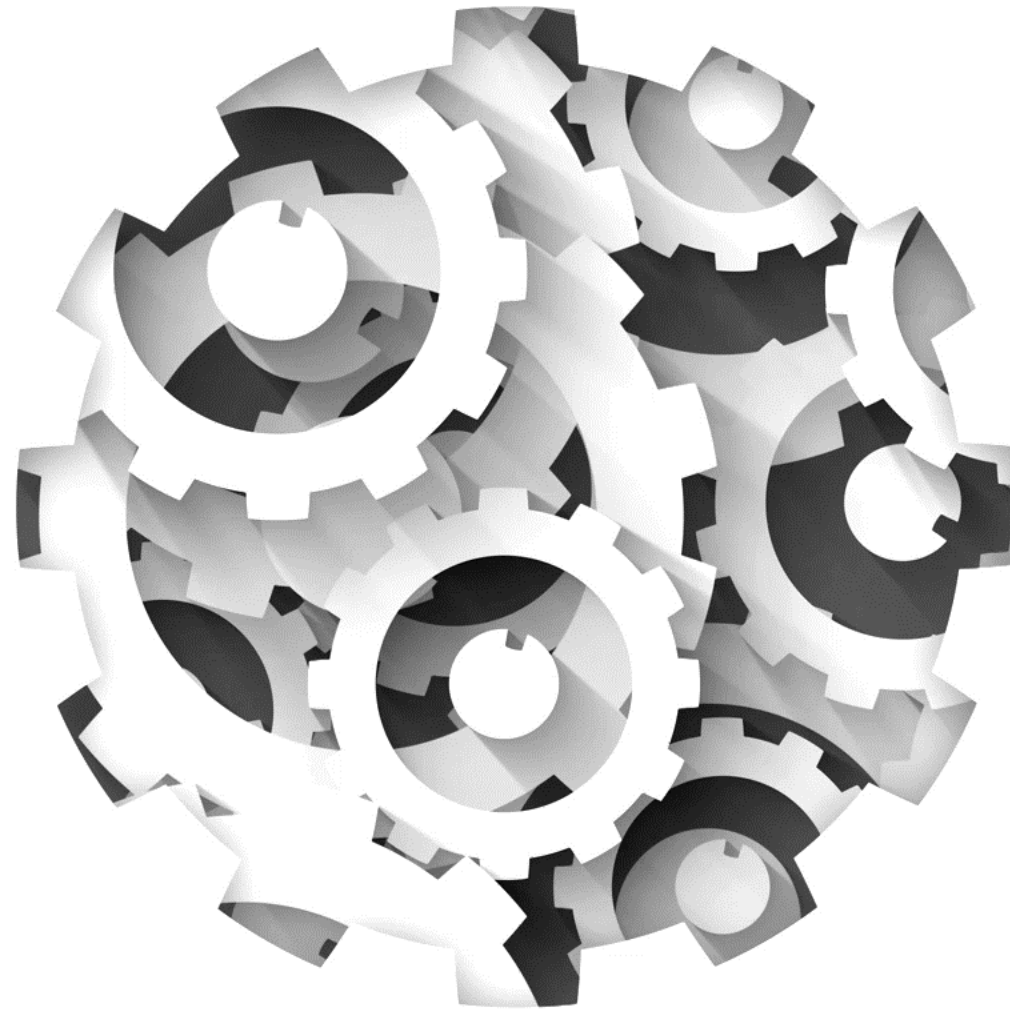

-

How?

# TOGETHER - FURTHER

**Many issues to be addressed... IFATCA**

**A mission and a vision...**

Leading the way to unlock the blockage...

Developing...  
Controlling...  
Promoting...  
Implementing...

**IFATCA – PROFESSIONAL - VISIBILITY and CREDIBILITY!**

# A legal entity (Branch - AISBL) in Europe

**Laying the base “to prevent fires” ...**

**A clear proposal to implement a  
common, integrated, safe, stable,  
productive and efficient SES (extended!)**

# Including CO2 emission reduction proposals... A stable and sustainable project...

**TO ACHIEVE THIS GOAL...**

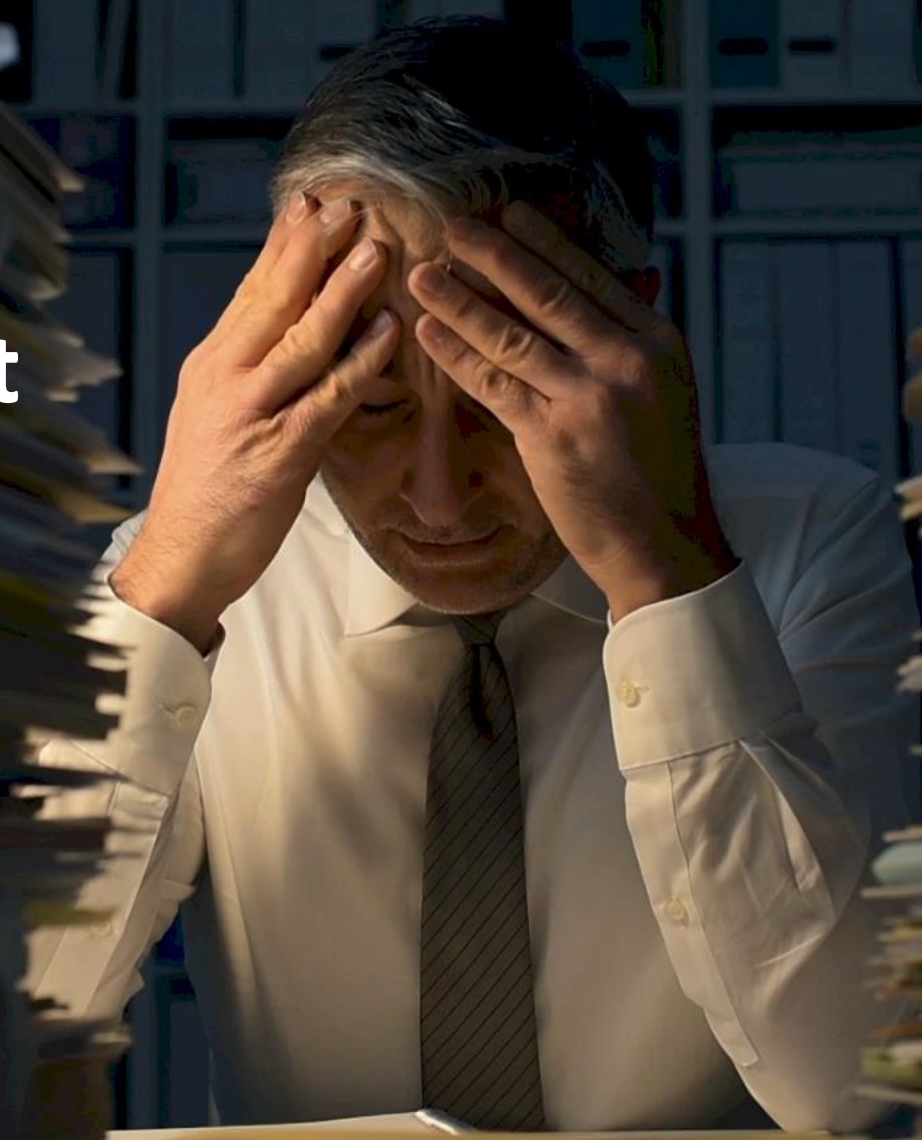

# Building a stronger team... at the core of European Aviation!

# Call for support Volunteers

International Federation of Air Traffic Controllers' Associations

Frédéric Deleau, IFATCA EVP Europe  
Frédéric Deleau, IFATCA EVP Europe

# Call for support Volunteers

I'LL MAKE YOU AN OFFER YOU  
CAN'T REFUSE

# To conclude:

**More planes, more data, more passengers...  
Faster, always faster...  
Green, greener, greenest...  
And always SAFE - Safer – SAFEST!**

To conclude:

Challenges (will) never stop...

New ideas – new processes will come...

Trying to stop the wave is ill-fated...

Learning to surf the wave is the way ahead...

Professionalism, Engagement, Innovation,  
Collaboration, Friendship and Transparency  
are the pillars of IFATCA (EUR)

LEARN – LEARN – LEARN – LEARN...  
TRUST – TRUST – TRUST – TRUST...  
SAFE – SAFE – SAFE – SAFER...  
EFFICIENCY – EFFICIENCY – EFFICIENCY

**TOGETHER – FURTHER !**

**THANK YOU FOR YOUR ATTENTION!**
